---

**Change Request:** Addition of a vessel discrepancies and voyage summary information has been added to enhance the current vessel forecast screen.

**Submitted By:** Ship Agents (Various)

**Status:** **Completed and Implemented**

---

**Change Request:** Addition of a new "Vessel Forecast" system has been added to the Allocation section within the Employers website. The new facility is being utilized by Ship Agents to aid in better forecasting the upcoming work on the waterfront.

**Submitted By:** BCMEA/WEBC Staff (Various)

**Status:** **Completed and Implemented**

---

**Change Request:** Modifications to the existing “Hours by Despatch” report, run from within WHRIS, will be made to better categorize the Despatch jobs so that they reflect the break-down of jobs found in the “Vancouver Work Information” screens.

**Submitted By:** BCMEA/WEBC Staff (Various)

**Status:** **Completed and Implemented**

---

**Change Request:** Addition of Board Committees information. We will be adding a new section for the Board to access various committee information packages. These will include Yearly Activity Planners, Minutes and Notes and Schedules.

**Submitted By:** Board Requested (External, Various)

**Status:** **Completed and Implemented**

---

**Change Request:** Addition of Despatch reporting. We have added access to live despatch reporting that will show employees despatched from the hall as well as employees called back.

**Submitted By:** Site Requested (External, Various)

**Status:** **Completed and Implementation**

---

**Change Request:** Addition of Allocation reporting. We have added access to live daily and weekly vessel forecast information under the “Allocation - Reporting” section of the Employers site.

**Submitted By:** E-Mail Request (External)

**Status:** **Completed and Implementation**

---

**Change Request:** Modification to error trapping for query users. Many reports gather data from our query database. This data is updated frequently throughout the day. You may receive an error message that informs you of this process. Please use the provided refresh on the error page to re-try your query.

**Submitted By:** BCMEA/WEBC Staff (Various)

**Status:** **Completed and Implementation**

---

**Change Request:** Addition of Employee Despatch Information, Hall Board and Slip views, Button locations, Longshore Work and Gang Work. These new screens will be available within the WHRIS area of the employers.bcmea.com site.

**Submitted By:** BCMEA/WEBC Staff (Various)

**Status:** **Completed and Implemented**
